BID SPECIFICATION

Amatola Water invites quotations from suitably qualified and experienced service providers for the **REQUEST FOR A SERVICE PROVIDER TO MAINTAIN AND UPDATE AMATOLA WATER SHE LEGAL REGISTER FOR A PERIOD OF 3 YEARS ON ADHOC BASIS**

BACKGROUND

Amatola Water is an Eastern Cape based state-owned water services utility (water board), established in 1997, in terms of the Water Services Act. Its prime function is to provide bulk water and sanitation services to water sector institutions, water service authorities and other customers as provided for in the South African water services legislation. Amatola Water's service area includes Buffalo City, the Amathole District and portions of adjoining districts in the central Eastern Cape.

1. SCOPE OF WORK

LEGAL COMPLIANCE SERVICES SCOPE OF WORK

All services must be provided by qualified and experienced legal consultants according to the quality and performance standards expected of service providers of a similar stature. Experienced legal consultant with legal qualification. **Must be an admitted attorney or advocate.** Combined 5 years' experience in SHE (Safety Health and Environment).

Legal Register

The Service Provider must provide, maintain, and update the Amatola Water Occupational Safety, Health and Environmental (SHE) Legal Register according to the following requirements and standards.

The Service Provider must identify and document applicable SHE legal requirements based on the activities of the Amatola Water

The legal register must include SHE legal requirements on a National, Provincial (Eastern Cape) and local (Buffalo City Municipality) level.

The legal register must include a list of SANS Codes that are incorporated into applicable legislation, and which are therefore legal requirements. Due to copyright restrictions by the SABS, the actual content of SANS Codes cannot be included in the legal register.

Non-applicable legal requirements must be filtered out, making the legislation more accessible to those who need to manage compliance. Only those provisions placing an obligation, prohibition or significant legal risk on the register user must be included in the register.

Applicable legal requirements must be explained where possible in user-friendly terms, with the elimination of legal jargon.

Applicable legal requirements must be made accessible in electronic format (MS Word or Excel) facilitating ease of use in other compliance tools such as training, reports, incident investigations, audits, management plans, memorandums, etc.

The Service Provider may not impose restrictions on putting the register on the client's intranet for access to all employees for example, and any software licensing and user fees must be specifically indicated.

Availability of the legal register must be under the control of the client, and not dependent on internet access or server availability from the Service Provider's side.

The Service Provider must maintain the legal register through an update process, where the user will receive any changes in legislation, new legislation, or repealed legislation must be removed from the legal register. A Record of Changes must indicate the changes made for each update.

Updates can be emailed to ensure efficient delivery. Updates should be sent as soon as reasonably possible depending on the circumstances, but at least within 90 days of any applicable change.

Subject to the scope of the legal register and agreement between the Service Provider and the client, the Service Provider must address any valid certification or other audit findings on the legal register communicated by the client.

The Service Provider must provide reasonable telephonic and email support to the client regarding the content and use of the legal register.

Legal Links in Risk Assessment

The Service Provider must update relevant legal references included in the client's SHE risk assessments whenever there is an update to the legal register. The client will provide the latest version of the risk assessment to the Service Provider.

Legal Compliance Audit

The Service Provider must conduct an annual SHE legal compliance audit on Amatola Water. The audit must achieve the following objectives:

To assess the extent of the client's compliance with applicable SHE legislation (as contained in the legal register).

To evaluate the effectiveness of any implemented management system of the client to ensure legal compliance and reduce risks.

To present a report to the client on the current status of compliance and make recommendations to address the deviations.

To advise the client on improving legal compliance management.

To determine whether there are any "other requirements" to which the client subscribes that should be audited, and to verify compliance to such requirements where applicable.

The audit must be done applying the following audit components:

Audit preparation (off-site)

Opening meeting

Do familiarisation of facility

Interview key people

Review documentation

Do physical inspection

Verification of sampled items

Closing meeting

Write report on findings (off-site)

Sampling on a risk basis can be applied during the audit to ensure cost-benefit effectiveness.

The audit report must reflect audit findings (non-compliance), observations (opportunities for improvement) and all requirements that were audited where there was compliance. Compliance levels may be indicated by means of a percentage value according to a scoring methodology agreed with between the client and the Service Provider.

The audit must achieve the following objectives:

To assess the extent of the client's compliance with the conditions of the Licence.

To evaluate the effectiveness of any implemented management system of the client to ensure compliance and reduce risks.

To present a report to the client on the current status of compliance and make recommendations to address the deviations.

To advise the client on in improving compliance management.

The audit must be done applying the following audit components:

Audit preparation (off-site)

Opening meeting

Do familiarisation of facility

Interview key people

Review documentation

Do physical inspection

Verification of sampled items

Closing meeting

Write report on findings (off-site)

Sampling on a risk basis can be applied during the audit to ensure cost-benefit effectiveness.

The audit report must reflect audit findings (non-compliance), observations (opportunities for improvement) and all requirements that were audited where there was compliance. Compliance levels may be indicated by means of a percentage value according to a scoring methodology agreed with between the client and the Service Provider.

Environmental Authorisations / Records of Decision Compliance Audit

The Service Provider must conduct an annual external compliance audit on all relevant Environmental Authorisations / Records of Decision issued to Amatola Water.

Knowledge Transfer

The Service Provider must endeavour to empower the client to improve the management of SHE Legal Compliance by transferring knowledge and skills to relevant employees of the client. This can take the form of:

Providing short training presentations (1-2 hours) on legal compliance aspects, for example on legal updates.

Providing tools that can assist the client, such as checklists, forms, pro-forma templates, etc.

General

For cost-effectiveness, some of the services should be combined to take place at the same time, for example the different audits (legal compliance, waste management licence and EA/ROD) should be done as a combined audit process. Time can also be allocated in the audit plan to conduct a training presentation

- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the **80/20** preference point system.
- b) The lowest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

Pt = Price of tender under consideration
Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.
(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.)
Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
HDI (51% or more black ownership)	8	
Black women(51% or more women ownership)	4

PRICING INSTRUCTIONS, PRICING SCHEDULE AND CONTRACT

PRICE INSTRUCTIONS AND ESCALATION

The following pricing schedules must be completed in full:

SBD 3.1: Pricing Schedule: Firm prices

SBD 3.2: Pricing Schedule: Non- firm prices (NOT APPLICABLE)

NB: If there are any unconditional discount offers, kindly attach a schedule that will indicate where those discounts are applied from.

Failure to fully complete the pricing instructions will invalidate your bid. All line items should be completed.

No claim in respect of any price escalation will be considered by the Amatola Water unless it is specifically stated in the Pricing Schedule that the Bid is subject to price escalation.

When escalation is claimed for during the contract period, proof of such escalation must be furnished and the calculation itself must be submitted to corroborate such proof. Escalation will only be calculated on the official index figures supplied by the Department of Statistics or the Price Controller, which ever may be applicable.

All orders placed will be based on the current Bid prices. It is the responsibility of the Bidder to inform Amatola Water of any escalation prior to implementation of the escalated price. Failure to do so will negate any such claims.

VALUE ADDED TAX

In calculating the cost of the supply and delivery of services and / or material, the supplier will issue a "Tax Invoice" for all services rendered and / or materials supplied, which will reflect the exclusive cost of such services, goods or materials with the relevant Value Added Tax being added to the total.

VAT must be included in the Bid price but must be shown separately.

Non-VAT vendors must not include VAT in their bid price.

PRICING SCHEDULE – FIRM PRICES (PURCHASES)

NOTE: PRICE ADJUSTMENTS WILL BE ALLOWED AT THE PERIODS AND TIMES SPECIFIED IN THE BIDDING DOCUMENTS.

IN CASES WHERE DIFFERENT DELIVERY POINTS INFLUENCE THE PRICING, A SEPARATE PRICING SCHEDULE MUST BE SUBMITTED FOR EACH DELIVERY POINT
